HACCP & Food Hygiene Regulations

Excellent Panel panels with a smooth co-extruded surface comply with European Regulations 178/2002, 852/2004 and 853/2004.

As a result, Excellent Panel systems are highly suitable for use in food processing and hygiene-critical environments as wall and ceiling systems within HACCP-controlled areas.

Product Features

- Smooth surface thanks to a co-extruded layer of virgin PVC
- Easy to clean – suitable for high-pressure cleaning
- Durable (ISO 26000)
- Resistant to a wide range of chemical cleaning agents
- High chemical resistance
- Click system with tongue-and-groove connection, creating an almost seamless finish
- Demountable and recyclable
